"PEACE ON EARTH; GOODWILL TOWARD MEN"

TREATY SIGNED AT PARIS BY NATIONS

WAR IS FORMALLY ENDED

Wilson Affixes His Signature At 3:14, Paris Time, Immediately After Hun Envoys Have Signed.

(By Associated Press)

Washington, June 28—The peace treaty ending the war between Germany and 27 other nations was signed at Versailles today.

The signing was begun at 10:30 Washington time, according to an official report to the State Department, which said that President Wilson affixed his signature at 3:14, Paris time, and a minute earlier, Dr. Herbert Mueller and Dr. Johannes Bell signed for Germany.

The treaty was signed in the presence of 400 private guests, plenipotentiaries, 14 enlisted men from the American, British and French armies.

All were seated when the German delegates entered by the secondary stairway, thus avoiding occasion for a salute by the guard of honor which was reserved for the allied representatives.

Within the Hall of Mirrors historical furnishings and paintings gave a tone of impressive state.

At 3:10 Premier Clemenceau called the session to order and put the direct question to the Germans whether they were willing to sign and execute with loyalty all the terms. The other delegates, meanwhile, did not arise when the Germans came into the Hall.

After an affirmative reply, the attention of the Germans was directed to the treaty and at 3:12 o'clock they began to sign.

Gen. Jan Christian Smuts, one of the delegates representing the union of South America, signed under protest. He said the indemnities stipulated could not be accepted without injuries to the industrial revival of Europe.

All the delegates having affixed their signatures, the proceedings formally closed at 3:49 o'clock. The German delegates left the Hall first, the allied representatives remaining in their seats.

Shortly thereafter the whole assemblage left the Hall and went to a terrace to witness the fountains playing.

As President Wilson, Premier Clemenceau and Lloyd George emerged from the palace a great crowd, swept aside the cordon of troops, cheering madly.

Meanwhile cannon began to boom, announcing the completion of the historic ceremony.

China Only Nation Not Signing
Versailles, June 28—The world war was formally ended today by the signing of the peace treaty with Germany.

The epochal meeting in the Hall of Mirrors began at 3:10 o'clock and the German delegates, the first to sign, affixed their signatures at 3:13 o'clock. They were followed by the American delegates headed by President Wilson and then by the plenipotentiaries of Great Britain, France, Italy and Japan.

Representatives of the minor powers signed in alphabetical order. China's delegates were not present, declining to sign because they are not permitted to make reservations on account of the Shantung settlement.

Wilson Starts Home Tonight

Washington, June 28—President Wilson and his party leave Paris at 9:30 tonight for Brest to sail for home, Secretary Tumulty was notified today. The cable from the President said "All well."

SAYS OLD ORDER HAS PASSED AWAY

(By Associated Press)

Washington, June 28—President Wilson in an address to the American people on the occasion of the signing of the peace treaty made a plea for acceptance of the League of Nations without change or reservation. His message was given out here by Secretary Tumulty and said:

"It ends once for all the old and intolerable order under which small groups of selfish men could use the peoples of the great empires to serve their ambition for power and dominion; it recognizes the inalienable rights of nationalities, rights of minorities, and the sanctity of religious belief and practice. It will serve to cleanse the life of the world and furnish guarantees such as were never even contemplated for the fair treatment of all who labor at the daily tasks of the world."

NATIVE OF MADISON PASSES AWAY IN CLARK

John McCord, age 83 years, a native of Madison county and widely connected in this section, died at his home in Winchester Thursday night of the infirmities incident to his age. He was the father of Chief of Police Woodson McCord, J. L. and C. B. McCord, of Winchester. One sister, Mrs. Dorcas Phelps, of Stanford; five grand children, Lieut. Joe McCord, Bronston and Catherine McCord and Ruth and John Lisle McCord, and one great-grandson, Joe Brown McCord, also survive.

Mr. McCord was born in Madison county. His wife, who was Miss Lydia Lisle, died in 1910. Before his condition became enfeebled he was a successful farmer and throughout his long life held the respect and esteem of all who knew him.

The funeral was held Friday at 3 o'clock at the grave in the Winchester cemetery, with services by Dr. W. M. Cumming. The pallbearers were: Active—Joe C. McCord, Bronston McCord, Harry Scribner, R. O. Fitch, James A. McCord and Reuben Franklin. Honorary—T. G. Barrow, R. D. Hunter, J. B. Carroll, Newt Powell, T. W. Rash and J. T. Beckner.

Plan Hog Development Program

Thirty-nine field workers in swine husbandry of the United States Department of Agriculture, several State directors of extension work, and others met in a conference in Washington last week with officials of the department. Plans were worked out for carrying on the extension work in developing hog production along more uniform lines than heretofore. Addresses were made by Dr. J. R. Mohler, Chief of the Bureau of Animal Industry; G. M. Rommel, Chief of the Division of Animal Husbandry; E. Z. Russell, in charge of swine investigations; Bradford Knapp, chief of extension work in the South, and C. B. Smith, chief of extension work in the North and West. The workers spent a day at the department's experimental hog farm at Beltsville, Md., where judging contests and demonstrations of butchering and vaccination for cholera were held. All phases of the hog industry were discussed during the conference. Particular attention was given to the promotion of feeder animals in the South and the finishing of pork in the corn-belt States.

MAY BE FOUR ENTRIES IN JUDGESHIP RACE

(By Associated Press)

Reports come from Frankfort that a third entry is rather expected in the race which is developing in the 13th judicial district for the circuit judgeship, which will be vacant when Judge C. A. Hardin goes to Congress. Clerk of the Court of Appeals Rodman W. Keenon, whose home is in Mercer county, is understood to be a receptive candidate for the appointment which will be made for the short term by the governor. In the event of his appointment by Gov. Black, it is reported that he would in all probability be a candidate at the election.

The Lancaster Record this week says that that County Attorney Henry Jackson, of Boyle, and Attorney Kendrick S. Alcorn, of Lincoln, were both mingling with the voters in Lancaster court day. So far they are the only ones who are active candidates, according to reports. A rumor comes from Danville that Commonwealth's Attorney E. V. Puryear may throw his hat into the ring. Of course, if he does it would complicate things in the running. There is a strong tip that Gov. Black will name Jackson for the vacancy when Hardin resigns. Rumor has it that if Jackson is appointed by the governor, his place as county attorney of Boyle, will be filled by Ad. Lanier, who is now secretary to Gov. Black, and that the governor will find a private secretary in western Kentucky.

Hon. King Swope, republican candidate for congress, is scheduled to speak here in Richmond this, Saturday afternoon, and at Berea tonight. With the state primary and the special election only about a month off interest in politics is beginning to "look up."

County Teachers Attention

The teachers of Madison county are hereby notified to call at my office after July 1st and sign contract for the next year as no school may be opened until contracts are signed. Teachers must also obtain supplies here as well as all supplies must go through this office. Ben F. Edwards, County Superintendent of Schools. 179-2

Oldham Gives Shanks the 8th

Col. Ronald C. Oldham, of Winchester, candidate for the democratic nomination for Lieutenant Governor, is in town today with his parents, Mr. and Mrs. W. D. Oldham. Col. Oldham is very sanguine of success. He says he concedes that his opponent, Hon. W. H. Shanks, of Stanford, will carry the 8th, his home congressional district, but claims all the rest.

Mrs. Broadus Buys Home

Through Real Estate Agent H. C. James, Mrs. Louis Stagner this week sold a house and lot on Big Hill avenue to Mrs. P. B. Broadus. The price paid was \$1,400. Mrs. Broadus will move to her purchase and make it her home, it is understood.

The Ohio Oil Company is moving to rig location No. 13 on the W. M. Adams lease in Estill county, and is drilling at No. 12.

A 1,400-foot depth has been reached in the test of the Triangle Oil Company, drilling on the Shuttlesworth tract near the Wright road of Madison county.

THE WEATHER

Fair tonight. Sunday fair and warmer.

Here's The Weather Guess

(By Associated Press)
Washington, June 28—Week's weather predictions—Ohio Valley and Tennessee—Temperatures rise to normal Monday, near or somewhat above normal thereafter; fair although local thunder storms probably Tuesday or Wednesday.

Succumbs Following Operation

Julian Thomas, died at the hospital at Berea last week, after an operation following the flu. He was a son of Mr. and Mrs. Rufus Thomas, now of this county, but former residents of Garrard county. Julian Thomas had only been married a year, and is survived by his wife, who before her marriage was Miss Lucy Dalton, a daughter of Mr. and Mrs. William Dalton of Kirksville. The deceased was 18 years of age. He is survived by his young wife, his parents, three sisters and two brothers, Ardella, Rose and Mittie, James and William, who were all at his bedside when the end came. Much sympathy is extended to the bereaved ones in their grief. Services were conducted by Rev. P. E. Foley and the body laid to rest in the Old Freedom cemetery.

OIL FIELD NEWS

Thirty-one acres of land on the Midway and Spring Station turnpike, one-half mile from Midway, sold at auction last Thursday by Chas. Nuckols at \$260 an acre.

The report of the field agent of the U. S. Bureau of Crop Estimates, Louisville says: With numerous reports of short or poorly filled heads and some damage from rust and lodging, Kentucky's wheat crop promises 14,707,000 bushels compared to a prospect early in May for 15,257,000 bushels. Last year the final yield turned out 12,129,000 bushels, while the 5-year average, 1913-1917, was only 9,862,000 bushels.

In Woodford county M. B. Hiner sold 175 lambs last week to A. H. Jewell at \$10 a head. He has delivered 80, the others to be taken by July 10.

Because of the recent heavy rains a number of operations were retarded, although the rain has enabled a number of rigs that had suspended operation because of the scarcity of water to weather, Ky. Oil men say the next few weeks will be a period of intense operation.

On Hell creek in Lee county 28 rigs are located, five of which are operated by the Atlantic company. The first one is expected in within a short time.

Drilling has been resumed on the test well of the Pyramid Oil Company on the Gabard lease in Owsley county.

For the purpose of developing a lease of fifty acres in the Big Sinking district, and 5,000 acres in southwest Texas, a company has been organized at Charleston, W. Va., known as the Bandera-Texas Oil and Development company, with a capital stock of \$300,000. Cincinnati and Columbus, Ohio, and Charleston capitalists are backing the company.

The biggest gas well ever struck in Allen county has been brought in on the Cockrell lease, owned by the Sinking Springs Company. The gas gusher caught fire and destroyed the mast of the drill rig.

In Lee county the Mammoth Oil Company's well No. 2 on the James line is down 400 feet.

The Island Oil & Gas Company is preparing to sink two wells in Owsley county, one on Buffalo creek and the other near Island City.

The Ohio Oil Company is moving to rig location No. 13 on the W. M. Adams lease in Estill county, and is drilling at No. 12.

A 1,400-foot depth has been reached in the test of the Triangle Oil Company, drilling on the Shuttlesworth tract near the Wright road of Madison county.

NEW MOVIE THEATRE MAY COME HERE

Big Feature Rights Corporation Looking For Location In Richmond.

Richmond may have another moving picture theatre if plans of the Big Feature Rights Corporation go through. A gentleman, who showed the Daily Register a letter from this big concern this week, in which it requests him to secure a suitable location for a theatre to seat at least 1,000 people. He has gone to work on the proposition at once, and it is understood that representatives will be here within a few days to look over the situation, and make plans for securing a location. A splendid site, close to the heart of the city is already in view, this gentleman says, and negotiations for securing it are under way.

The gentleman who is looking after the local end has had long experience in such matters and says that the Big Feature Rights Corporation is putting out the latest and biggest star pictures on the market today. This concern operates the B. F. Keith National Theatre at Louisville, and has a circuit of the biggest theatres all over the country. He says that it is booking the late pictures of Mary Pickford and a number of other stars which are showing their new plans exclusively through it. He says that if a new theatre is opened here that movie patrons will have the opportunity to see a class of pictures which can be shown by no one else.

Operation On Prof. Crooks

The Danville Messenger says that Prof. C. G. Crooks underwent a rather serious operation at the Boyle County Hospital, Dr. J. R. Cowan being the surgeon. The operation was a perfect success and his many friends will be relieved to know that he is doing as well as could be expected and is probably entirely out of danger.

Corbin Boys Caught Here

Acting upon a telegram received from Corbin on relatives, police arrested two white boys, about twelve years old, as they stepped from a train coming from that direction, and placed them in jail where they remained over night, when the father of one of them came to Richmond and took them back home. The boys had a ticket to Louisville and had gotten off here to take another train for that city.

Speech And Parade Permit

An ordinance has been proposed in a certain city council to prohibit street parades and public meetings without a city permit.

It is meeting with the usual objections from the usual source; it

is called unconstitutional, and denounced as directly opposed to the principles of liberty and free speech which are a part of America's very life.

These objections savor of the performances of children, who noticeably avoid asking parental consent when they know that their contemplated schemes are mischief, when if they intended no harm, asking permission is no hardship at all.

It is the abuse of the privilege of free speech which has made it necessary to curtail it. It is the anarchistic parade with its red flag and its open espousing of the destruction by violence of constituted authority which has brought the parade under surveillance.

Recalling these facts, any loyal individual or group should be willing to apply for a permit to give publicity to its views.

On the other hand, those having in charge the issuance of permits should be of unquestionable loyalty themselves, and also free from narrow personal and political prejudice. They should be persons who, realizing the value of daylight, will grant publicity freely to propaganda, however freakish, which does not menace American institutions, and who will keep endless watch on the thing that is denied the light, lest it send out its evil roots far and wide in the dark.

GREAT ARENA FOR PRIZE FIGHT CONTEST

(By Associated Press)

Toledo, O., June 28—Thrusting its raw, yellow skeleton skyward, the huge-shaped arena, costing \$150,000 and originally planned to seat 50,000 persons, is rapidly nearing completion for the championship contest between Jess Willard and Jack Dempsey here July 4.

The arena is located in Bay View Park, a municipally owned plot of ground sixty acres in extent and directly north four miles from the heart of the city. Before being turned over to Tex Rickard, promoter of the championship contest, the park had been used as a recreation center and the arena rests on the site of two baseball diamonds. On the north side of the park is Maume Bay and to the east is Maume River. Encircling the plot is a road of crushed stone. The park is of artificial construction, most of it being filled in land, but it is ideally situated in every respect. It is perfectly flat and treeless, making the work of the engineer constructing the arena easier than it otherwise would have been.

Some idea of the immensity of the arena may be obtained from the fact that if four times as large as the arena in which Jack Johnson battered Jim Jefferies to defeat in Reno, Nev., and capable of seating four times as many persons. Approximately 1,750,000 feet of lumber has been used in the structure. Not a bolt has been used, the entire building being held together by nails of which two carloads or 50,000 pounds have been driven. All new lumber has entered into the construction and this will be sold after the contest. Precautions for safety have been taken in the construction. Careful tests were made of the ground to find out whether it could carry the great human weight which would rest upon it. The carrying capacity of the lumber and the tensile strength of the nails were determined and a margin allowed for safety.

Although the structure was originally planned for 50,000 persons, a load of 80,000 persons was taken as the basis of the estimate and, instead of allowing 175 pounds per person, as is done in ordinary construction for "live load" of 8,000 tons, but to allow even a further amount of safety margin, construction was based upon a load of 10,000 tons.

As an insurance against any settling should rainy weather on the day of the match, or even a few days before, cause the structure to settle slightly heavier footing was used. This entailed an additional expense of about \$3,500 but Promoter Rickard decided it would be cheaper for the greater safety afforded.

Several hundred discharged soldiers all having seen service in France, will act as ushers and guards at the arena. They will be armed. Banks clerks have been engaged by Promoter Rickard in handling the ticket sales at the arena and at the downtown headquarters on the day of the contest.

An allowance of eighteen inches seatway has been made for each ticket holder. The rows will be two feet apart for all seats cheaper than \$50 and eight inches more for the \$50 and \$60 seats. The seats themselves will be ten inches in width, giving fourteen inches leg room between rows. The only difference between the cheapest seat and the top-priced rows will allow slightly more leg room.

The \$60 tickets entitles holders to seats about fifteen feet from the ring 176 press seats for newspaper writers taking up the actual ring side. There will be forty-two seats in the first row of the reserved seat sections, while the last row of the 10 seats will accommodate 1,800 persons. The first row of \$10 seats will be about 276 feet from the middle of the ring.

LALLEY-LIGHT

THE BALL BEARING ELECTRIC LIGHT PLANT

Lalley-Light furnishes two sources of light and power in the one plant.

The machine itself is one; the storage battery is the other.

Light used direct from the generator is as steady and strong and brilliant as from the battery.

This is an advantage not usually found.

It is due to the fact that the patented Lalley-Light engine is especially designed and built to drive an electric generator.

It is worth a great deal to the man who must have light and power that are wholly reliable.

We will demonstrate Lalley-Light, free. Call for the book of owners' testimonials.

Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then... it would last... two weeks, and was so weakening, and my health was awful."

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three... I gained, and was well and strong, and I owe it all to Cardui."

I am married now and have 3 children... Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not get Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

BRAVE YOUNG MAN WAS KILLED IN WAR

Jerry Todd, of the Crooksville section, of this county, has heard with deep sorrow of the death of his grandson Private Van Todd, occurred during the fighting in France before the armistice was signed. He received a clipping from a paper published at the young man's home which had the following:

While we are rejoicing over the return of many of our boys from France, and the fact that others are soon to come, there is that sad knowledge in our hearts that there are those of our own who will never return, and who lie sleeping beneath the daisies and lilies of France. It is but a short time ago that official word of the death of Private Arthur E. Mabee was received, and now comes official notice of the death of one missing in action some months ago—Private Van Todd, formerly of Montgomery township, who was killed in action in the St. Mihiel sector near Freguy, on September 27, 1918. We are in receipt of the following from Van's mother, Mrs. Price Todd, of near Danvers, under date of April 27, 1919:—

"Dear Mr. Lewis:—It is with a sad heart I write you these few lines, as I have so hoped that we should hear the good news that our dear boy would return, but it was not to be and we will have to give him up. We received word from the Red Cross and from R. H. Kirby, A. R. C., 90th Division, saying he was killed in action in the St. Mihiel sector, near Freguy. It is so sad to think of all the dear boys who had to give their lives on the field of battle. Van never wrote one word of complaint, although he was a boy that loved home. He was born in Kentucky in the year 1893. He joined the Baptist church when he was fifteen years old and had been a member of that church ever since. Since coming to this state he had gone to the Goodfield and Deer Creek church. He said it seemed like home to him. You may all miss him, but no one like his mother."

And so a mother's heart speaks of her own, her dear, brave hero boy—and so our hearts respond in deepest, earnest sympathy. Van belonged first to his God and to his parents and relatives, but he was also ours—our friend, our neighbor, our soldier boy—fighting for his God and his country, even laying down his life that we might continue to enjoy that freedom on which our country is founded and which is so priceless to us all. He went into battle fearlessly, feeling that the cause was just, and relying on his Master in all emergencies. Van's body lies in the soil of France, but we firmly believe that his soul is with the God who gave it. We all went down into the valley of the shadow of death with his dear parents and family at the time he was reported as missing, and now that we know he is gone and hope is no more, words fail us in trying to express our sincere and heartfelt sympathy to them.

There will be more than 100,000,000 gallons of whiskey left in Kentucky when prohibition goes into effect next Tuesday.

The revival meeting held by Evangelist J. B. DeGarmo and singer Sam Elsey, has been a great success. Some of the choice men and women of the community have accepted Christ and united with the church and others are expected to come. The testimony of the people is that they never heard the gospel, the plan of salvation, so plain before.
There will be services Saturday night at 8:30, Sunday at 11 A. M. and 3:30 P. M. and 8:30 P. M. The meeting will close Sunday night. All are urged to come and hear Dr. DeGarmo preach and Mr. Elsey sing

at these last services. Come and bring your dinner and spend the day with us.

Lightning's Queer Freak

A queer freak of lightning occurred at the home of Robert Addins, at Mouth of Cedar, during an electrical storm the past week. Mr. Addins had been feeding a lot of chickens that were hovering under the branches of a tree and had left the spot only a short time when lightning struck the tree, and running down the trunk struck a hen, splitting the hen into two parts. Possibly useless to state the hen's dead.—Mt. Olivet Tribune-Democrat.

NEW EMPLOYMENT FOR WOUNDED SOLDIER BOYS

Menominee, Mich, June 23—A one-armed man operating the newly invented Lloyd loom so impressed the Hon. G. M. S. McNeillage, member of the Australian legislature, during a trip through the Lloyd Manufacturing Company's plant here that arrangements were completed by cable whereby the Australian government pays \$250,000 for rights to use the machine as well as Lloyd's new method of production. They will only be used in giving employment to returned and crippled soldiers and sailors.

The Lloyd loom is the first mechanical device ever made which will weave reed or fibre for baby carriages, furniture or baskets. From the very earliest time—even when Moses was found in the bullrushes, tucked into a hand made reed basket—these articles have been woven by hand. Marshall B. Lloyd, one of the best known American machine inventors, struggled many years over the task while scores of others failed. Success has finally come in a machine which will weave these fabrics 30 times faster than the most skilled hand-worker can and with much greater perfection. The gap of ages has been spanned in an industrial manner and reed and fibre manufacturers look for a complete revolution in their industry as a result of the Lloyd loom.

A machine is now en route to Australia. More will follow soon and a large factory will be built in which returning heroes will be employed. The facts that physically deficient men can do the weaving on the Lloyd loom instead of the most efficient hand workers and that Australia is doing everything possible to aid its wounded prompted the expenditure of one-quarter of a million dollars for a single machine.

Lower Postage Rate July 1st

The old or lower postage rates go into effect again by congressional action on next Tuesday, July 1st. The following order has been received by Postmaster Stockton, which will be of interest.

"Postmasters shall discontinue the sale of 2 cents postal cards and 3 cents stamped envelopes at the close of business on June 30, 1919. Postmasters shall redeem from the public all unused 2 cents postal cards and 3 cent stamped envelopes printed or unprinted, at full value, if they are convinced such cards and envelopes are presented by the original purchasers. No post cards or envelopes shall be redeemed from the public in cash. The public will be allowed one month from July 1st, 1919, in which to present them."

PAINT LICK MAN BUYS FINE FARM IN LINCOLN

Two tracts of Bonnie Castle the Adam Carpenter farm which was sold by Swinebroad, the Garrard sale king, last week, have already changed hands at a profit. Mr. Burdette Ramsey, of Paint Lick, has just bought the home place with the handsome residence from Hughes & McCarty, of Stanford, the original purchasers, at \$245 an acre, \$10 more an acre than they paid for it. It is understood that Mr. Ramsey and family will move to the west end of Lincoln to make their home.

The Stanford real estate men also sold a tract of 26 1-2 acres of the same farm to J. S. Hocker and Wm. McCormack, at an advance of \$10 an acre on their purchase price.

Col. Swinebroad bought this week the John Fogarty farm at the city limits of Danville, at \$235 an acre. The place contains 252 acres of splendid land, which lays well for subdivision purposes. Col. Swinebroad will sub-divide and sell it.

At Lancaster, James I. Hamilton and James W. Smith bought and sub-divided the farm of W. R. Cook, on the Danville pike.

The home and 24 acres brought a total of \$15,410 or \$3,000 more than Mr. Smith gave for it about three weeks ago. The house and 14 acres were bought by Haselden Brothers for \$9,850; and the lots nearer to Lancaster were purchased by different parties and sold for \$500 to \$700 each. Several lots beyond the residence sold rapidly at from \$600 to 750 each.
